

Founder of The Accountability Academy®, International Author and Accountability and Leadership Speaker

Motivating Audiences to Make Accountability Their Competitive Edge

Sam Silverstein incites success and creates leaders everywhere he goes. He leaves those he meets challenged toward results and encouraged toward greatness. The momentum toward success is propelled by eliminating excuses and taking personal accountability for choices, actions and outcome.

In his presentations, Sam uses unforgettable illustrations and paints vibrant, often hilarious, always inspiring pictures for his audiences.

Most Requested Presentations

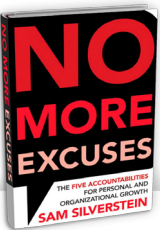

“No More Excuses” Keynote

Why do some succeed while others fail? It starts with eliminating excuses, eradicating justifications and taking personal accountability for choices, actions and results. It starts with accountability.

“See the Solution™” Facilitation

See the Solution™ enables groups to fully explore complex topics, while making sense of this complexity. It involves and engages all group members on an equal footing, leading to coherence through dialogue.

About Sam Silverstein

Entrepreneur, business expert, and international author, Sam Silverstein’s, battle cry of “No More Excuses” has been heard by companies and business professionals the world over. Accountability is today’s competitive advantage to reclaim market share and win the heart of a hyper-discerning consumer.

His programs focus on accountability and authenticity, teaching his hard-learned lessons and his winning techniques to build success both personally and professionally.

What Client are Saying

“Your session **delivered the perfect message at the perfect time!** ‘No more Excuses!’ set the tone for a fast-paced and productive day. Attendees were upbeat and energetic as the rest of our program continued through the afternoon.”

— Northern Virginia Association of Realtors

“You were enthusiastically received by nearly 1,500 remodelers who were **eager to hear what you had to say, then return to the worksite to put your words into action...** I wish I could say that all of the over 200 speakers I work with annually were as conscientious and fun to work with as you.”

— National Association Of Home Builders / Remodelers Council
